QUESTIONS

1. **Question:** Will the engineering CADD file be available to bidders?
Response: No. CADD file will be made available to the successful bidder.
2. **Question:** Specification Section 00100-1 states *“Lists for pre-qualified contractors are included in Specification Section 00021 (General Contractors), Section 00022 (HVAC/Mechanical Sub Contractors), Section 00023 (Sitework Sub Contractors), and Section 00024 (Crane Operator and/or Steel Erection Sub Contractors).”*
We are unable to find this referenced section. We are approved with the County of Frederick; however, we want to know if there was a job specific prequalification that we are not aware of. Furthermore, what subs have been prequalified?
- Response:** There is no job specific prequalification for any class of contractor (generals or subs) on this project. Delete Article 1.B of Section 1000 located on page 00100-1 in its entirety.

3. **Question:** Is this a Wage Rate Project? If so where can we obtain a wage rate table corresponding to this project?

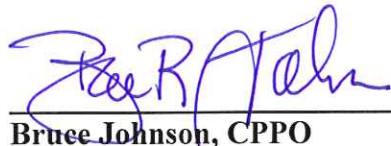

Response: This is not a wage scale project.

4. **Question:** Request that more detailed/enlarged drawings of the playground structures, including deck heights & identification of the components. The drawings are so small it is difficult to read the deck heights, not to mention that there are lines running through many of the numbers. Some of the components are unidentifiable & I would like to be able to create an acceptable equal.

Response: Legible play equipment diagrams are in Specification Appendix A & B.

ADDENDUM ACKNOWLEDGEMENT: Each bidder must acknowledge receipt of the Addendum #2 by indicating the addendum number and date in Article 3.01(A) of the bid form (EJCDC C-410). Failure to acknowledge this addendum may result in a bid being deemed non-responsive.
